#### VACUUM ARRANGEMENT - Accessories

ITEM No.	QTY.	DESCRIPTION
1	2	Isolation Butterfly Valves (Inlet & Outlet)
2	1	Inlet Check Valve
3	1	Modulating Surge Valve
4	1	Intake Silencer For Modulating Surge Valve
5	2	Expansion Joints (Inlet & Outlet)
6	1	Outlet Silencer (Blower)

#### PRESSURE ARRANGEMENT - Accessories

ITEM No.	QTY.	DESCRIPTION
1	1	Intake Filter Silencer
2	2	Isolation Butterfly Valves (Inlet & Outlet)
3	2	Expansion Joints (Inlet & Outlet)
4	1	Modulating Surge Valve (Optional)
5	1	Outlet Silencer For Modulating Surge Valve (Optional)
6	1	Outlet Check Valve

#### PRODUCT NOTES

1. Variable flow / constant pressure machines
2. Outboard mounted bearings assure lubricant free air
3. High Efficient Turn-down capability
4. Only two bearings – easy maintenance access
5. Non-contact, non-wearing shaft seals
6. Cast iron casing and cast aluminum impeller provide corrosion resistance
7. AMP draw in direct proportion with flow
